

# BAVARIA 31 CRUISER

SO MANY NEW  
FEATURES, WE NEEDED  
AN EXTRA FOOT TO  
FIT THEM ALL IN.

# BAVARIA 31 CRUISER

Never a company to let success stall creativity or development, Bavaria has replaced one of its more popular models, the Bavaria 30 Cruiser, with the Bavaria 31 Cruiser. More interior volume with additional opening deck hatches and larger ports enhance light access and natural ventilation. Strategically placed on the cabin top and cockpit coaming, additional winches make sail handling even easier. An electric transom step provides access to the teak-covered swim platform, and an easily adjusted mainsheet traveller allows for better managing of the boat's sails. Adding these elements, all while maintaining superior performance and boat handling, has served to help make Bavaria an industry-standout. To accommodate these new features, no wonder Bavaria had to make this latest addition 32' 1" LOA.

- Above deck, the 31 Cruiser boasts teak cockpit sole and seats, a double-spreader Selden mast and choice of conventional, furling or fully battened mainsail included in the base boat price.

- A gimballed two-burner propane stove with oven, an icebox with 12V refrigeration unit, a stainless steel sink and stowage for pots and pans enhance the usability of the 31 Cruiser's open galley.

- Both cabins have double berths and ample shelf and closet space.

- The six opening ports, four opening hatches and two large fixed ports provide the 31 Cruiser with plenty of natural light and ventilation.

- The spacious head has easy-care surfaces, a hanging locker for foul weather gear and multiple opening ports and hatches.

- The comfortable salon has ample seating, a chart table with storage space for charts and instruments and varnished light mahogany woodwork throughout the entire boat.

Teak cockpit sole  
Stainless steel bow pulpit  
Stainless steel double pushpit  
Double lifelines  
Stainless steel bow fitting with anchor roller and chafe guard  
Four aluminum mooring cleats  
Two aluminum spring line cleats  
Two self-tailing halyard winches  
Two self-tailing secondary winches  
Two self-tailing genoa winches, two speed  
Two winch handles  
Sheets and halyards led to cockpit  
Line clutches  
Adjustable mainsheet traveller  
Self-draining anchor locker  
Large seat locker in cockpit  
Self-draining gas cylinder locker  
Cockpit shower (hot and cold)  
Stainless steel boarding ladder - telescoping  
Two deck ventilators  
Electric bilge pump  
Manual bilge pump  
Cockpit table with storage  
Rail opening port and starboard  
Electronically operated swim platform access  
[Teak decks optional](#)

#### Sails & Rigging

Double spreader Selden mast  
Headsail designed for furling system  
Choice of conventional, furling or fully battened mainsail  
Furler furling system for headsail  
Selden adjustable pneumatic boom-vang

#### Ballast

Modern profile cast iron keel

#### Rudder

Steering pedestal with single lever engine controls  
Streamlined balanced rudder  
Rudder stock with self-adjusting bearings  
Emergency tiller  
Steering wheel with leather cover

#### Electrical System

12 V panel with circuit breakers  
110 V shore supply  
110 V outlets

#### Voltmeter

Navigation lights  
Deck light  
1 x 55 Ah battery starting battery  
1 x 140 Ah house battery  
25 Ah battery charger

#### Interior

Varnished light mahogany interior  
Two cabins with double berths  
Salon with settee and large mahogany table  
Enclosed stowage space and lockers  
Chart table with large compartment for charts and instruments  
Chart table seat with stowage  
Bookshelf  
Gimbaled two burner propane stove with oven  
Icebox with 12 V refrigeration unit  
Stainless steel sink  
Galley stowage for dishes and pots  
Waste container with lid  
Three fire extinguishers  
Marine head with easy-care surfaces  
Hanging locker for foul weather gear  
Shower with sump pump  
Manual toilet  
Holding tank with deck pump-out and overboard discharge  
Four opening hatches with roller blinds  
Six opening ports with curtains  
Two large fixed ports

#### Fresh Water Supply

Water tank (appx. 41 gal.)  
Water level indicator  
Electric pressure water pump with filter  
Pressure hot water system

#### Instruments

Raymarine ST 60 Wind  
Raymarine ST 60 Tridata (log, speedometer and depth)  
Pedestal mounted compass

#### Engine

Volvo Penta D1-20, 18 hp with sail drive  
Fresh water cooling  
Operating hours meter  
Tachometer  
Fuel level indicator  
Fuel filter  
Seawater filter  
Fuel tank (appx. 25 gal.)  
115 Amp alternator
